## My Care Navigator can help:

- **Locate Providers:**

Whether you need a primary care physician or specialized care, My Care Navigator helps you find a network doctor who meets your needs.

- **Transfer Medical Records**

My Care Navigator can help you by requesting that your medical records (including lab results and imaging) be transferred or shared among new or existing providers.

- **Make Appointments**

My Care Navigator helps you get an appointment promptly — even with hard-to-reach specialists.

- **Make Informed Care Decisions**

My Care Navigator can direct you to information and resources to make informed, appropriate care decisions.

- **Understand Pharmacy**

Generic drug vs. brand? What's a formulary? Should you be using a mail order service? My Care Navigator gets the answers that can help you save money.

- **Manage Care Costs**

Whether it's help with a care claim or assistance with provider billing issues, My Care Navigator helps you understand and manage care costs.
